Official Giveaway Rules

NO PURCHASE OR PAYMENT NECESSARY. A PURCHASE WILL NOT INCREASE THE CHANCES OF WINNING.

1. Sponsor

The Giveaway is sponsored by rewindewilson.com, the registered Ohio business name owned by rewindewilsondotcom, the registered sole proprietorship of Ronald E Wilson, also known as Rewind E Wilson. rewindewilsondotcom is the name under which the federal employer identification number is registered. The Sponsor's address for legal notices is PO Box 62, Clyde, OH 43410, USA. Official website: https://rewindewilson.com. This promotion is not sponsored, endorsed or administered by any social-media platform.

2. Eligibility

Open only to individuals who are at least 18 years old at entry and are legal residents of a jurisdiction listed in Schedule A both at entry and when claiming a prize. Individuals meet the age requirement on their 18th birthday. The Sponsor, anyone involved in planning or administering the Giveaway, and their immediate family members are ineligible. One entry and no more than one prize per person. Void where prohibited or otherwise unlawful.

The Sponsor conducted extensive research to make the Giveaway available in as many jurisdictions as possible, taking into account local laws, regulations and the practical requirements of administering it. We apologize if your place of residence is not listed in Schedule A.

3. Entry period

Entries open when the official Giveaway form goes live on the Sponsor's website. The website will display the opening date and time in Eastern Time. Entries are accepted through December 14, 2026 at 11:59:59 p.m. Eastern Standard Time (EST, UTC–05:00). Entries received at or after 12:00 a.m. EST on December 15, 2026 are late. The Sponsor's server timestamp determines when an entry is received. Internet access is required. No purchase or paid subscription is required.

4. How to enter

During the entry period, visit https://rewindewilson.com and submit the official Giveaway form with your legal name, valid email address, country or territory of legal residence, and required eligibility declarations. Review and accept these Official Rules. Check the three separate required boxes confirming that you have read and agree to the website Privacy Policy, Terms of Use, and Indemnification Terms. Each document is linked from its corresponding checkbox.

Submission of one complete eligible form constitutes one entry. Duplicate, fraudulent, automated, bulk or manipulated entries may be disqualified following reasonable verification. Fan Connection enrollment is optional. Declining or withdrawing Fan Connection consent does not affect entry, odds or prize eligibility.

5. Prizes and approximate retail values

Three shirt prizes. Each winner may choose one of the four released songs (Echos, One More Morning, Past Days, Current Moments, or Illicit Visions), a Cotton Standard T-Shirt (US$15.99) or Lightweight Performance T-Shirt (US$22.99), and any available size. Rewind E Wilson will personally sign each shirt before shipment and intends to personalize the signature to the winner's name. Shirt designs can be viewed at the rewindewilson.com shop.

Three Collectible Edition vinyl prizes (US$99 each). Only four copies of this edition will be made. One stays with the artist as a family heirloom and three are awarded through the Giveaway. Each copy features exclusive cover artwork and artist hand written signatures on the cover and the center of the vinyl. Bonus material will remain undisclosed until the winners have received their prizes and will never be released again. While the Vinyl Albums are rare, collectible, and expected to increase in value, sponsor makes no representation of secondary market or resale value.

Maximum total approximate retail value: US$365.97. No cash alternative. Prizes are nontransferable except where applicable law requires otherwise. If needed, the Sponsor may substitute a prize of equal or greater retail value where lawful.

6. Drawing and odds

On December 26, 2026, the Sponsor will randomly select potential winners from all valid eligible entries received. Three shirt winners are drawn first, followed by three Collectible Edition vinyl winners. An entrant already selected is removed from subsequent selections. The Sponsor then draws ten distinct alternates from the remaining pool and ranks them in drawing order. If too few eligible entries remain, the Sponsor draws as many distinct alternates as are available. Odds depend on the total number of valid eligible entries and the sequence of drawings. The Sponsor will document the random selection procedure and results.

7.1 Initial notification and claim deadline

The Sponsor will email the six initially selected potential winners no later than December 30, 2026. By January 10, 2027 at 11:59 p.m. EST, each must respond, accept the prize and supply proof of identity, age and eligible legal residence. The Sponsor may complete verification or request follow-up information after timely submission of the required proof. A potential winner forfeits the award by missing the deadline, declining, failing eligibility verification or being unable to lawfully receive the prize. The January 10 deadline applies only to the initial selections.

7.2 Collectible Edition replacement offers

If an original Collectible Album Edition prize is forfeited or unclaimed, the Sponsor first offers it as a replacement to verified, eligible original shirt winners whose shirts have not shipped, in their original drawing order. Each has 72 hours from the time the Sponsor sends the replacement offer to accept it. If a recipient declines or does not accept in time, the offer moves to the next eligible original shirt winner. A winner who accepts the vinyl receives it in place of the shirt. The vacated shirt goes to the next eligible ranked alternate.

If no eligible original shirt winner accepts, including when all original shirt prizes have already shipped, the vinyl goes to the next eligible ranked alternate. No participant receives more than one prize.

7.3 Ranked alternates and claim deadline

An alternate's selection alone does not confer a prize or start a claim period. No alternate receives a prize offer before January 11, 2027. Subject to the vinyl replacement procedure in Section 7.2, the Sponsor offers unawarded prizes in the original prize order (shirts first, then vinyl) to the next eligible available alternate without skipping a higher-ranked eligible alternate.

Each alternate has 240 hours from the time the Sponsor sends the individualized email offering a specific prize to respond, accept and provide proof of identity, age and eligible legal residence. The Sponsor records the email-send timestamp. If an alternate declines, misses the deadline, fails verification or cannot lawfully receive the prize, the Sponsor offers it to the next eligible available alternate. Timely submission of the required proof allows the Sponsor to complete verification after the deadline.

7.4 Additional drawings

If prizes remain after the ranked alternates are exhausted, the Sponsor conducts additional random drawings from the remaining valid eligible entries, excluding anyone who has already received a prize, forfeited an offer or been disqualified. Each newly selected potential winner has the same 240 hours from the time the prize-offer email is sent to accept and submit the required proof. If a prize is forfeited, the procedure repeats while eligible entries remain, with the objective of awarding all six prizes. If the eligible pool is exhausted, an award cannot be guaranteed. The Sponsor will document the outcome and comply with any applicable mandatory requirements.

7.5 Verification and records

No prize is awarded until acceptance and eligibility are verified. The Sponsor may also request delivery details and legally required tax or customs information. The Sponsor keeps a record of randomization, selections, rankings, offers, email-send times, deadlines, responses, verification, forfeitures and final awards, subject to Section 10.

8. Delivery, customs and taxes

The Sponsor pays standard shipping and any taxes, duties, fees or other charges imposed by the United States. The Sponsor remains responsible for applicable U.S. reporting or withholding obligations. The winner is responsible for taxes, duties, fees and other charges imposed by a foreign country, subject to mandatory applicable law. No fee is required to enter or be selected. A winner may decline a prize if they do not wish to pay applicable foreign charges.

When verification is complete, the Sponsor emails the winner to confirm. The Sponsor ships the prize within 30 calendar days after sending that confirmation. The same timeframe applies to original winners, alternates and winners from additional drawings. This is a shipment deadline.

9. Fair administration

Sponsor may reject fraudulent entries or take reasonable action against interference, technical failures or unlawful conduct. Sponsor will not arbitrarily change material eligibility or prize terms after entries are received. If an unavoidable event prevents the drawing, Sponsor may postpone or modify it only as permitted by applicable law, with appropriate notice and any required approvals. Sponsor's decisions are subject to mandatory consumer rights and applicable law.

10. Privacy and marketing

rewindewilson.com holds and controls Giveaway data under the website Privacy Policy. Data is used to administer the Giveaway, verify eligibility, contact winners, deliver prizes, keep required records and meet legal obligations. The Privacy Policy identifies the third parties that may process information on behalf of rewindewilson.com. Giveaway records, including entrant, winner and alternate information, are retained only as long as legally required. Fan Connection promotional email requires separate optional consent.

11. Winner publicity

The Sponsor may publicize a winner's country of residence where permitted by law. With the winner's consent, the Sponsor may publish the winner's name on rewindewilson.com and on social media. The initial winner notification email will include an optional request for that consent. Declining publicity consent does not affect eligibility or receipt of a prize.

Except for country-only publicity and disclosures required by law, the Sponsor will not disclose winner information without the winner's consent. Where disclosure is required by law, the Sponsor will release only the information the law requires and will provide it to the legally required recipient or audience, including competent authorities where applicable.

12. Liability, governing law and disputes

Nothing in these Rules excludes liability or remedies that cannot lawfully be excluded, or deprives consumers of mandatory protections in their place of residence. Subject to those protections, Ohio law governs administration of the U.S.-based Giveaway.

The website's Terms of Use and separate Indemnification and Dispute Resolution Terms apply to the extent lawful and enforceable. Entrants must separately acknowledge both documents as part of registration, as described in Section 4. Nothing in those documents overrides mandatory rights or protections under applicable law.

13. Contact

Send all inquiries and requests, including entry, eligibility, privacy and winner-information requests, to contact@rewindewilson.com. If the Sponsor requires a written submission by mail, the Sponsor will direct the requester to PO Box 62, Clyde, OH 43410, USA.
